Defined Head

The Head Center is the empowerment to think though questions, doubts, and confusion. Being a pressure center, it pressures for thinking and seeking inspiration.

Normal (Self) You are always immersed in the process of finding answers to questions, giving yourself time for the...

/demo version/ ...

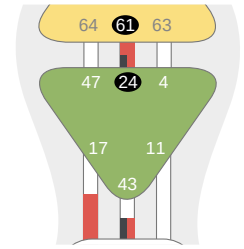

Distorted (Not-Self) Doubt and confusion can lead to an unhealthy desire to speed up the process of finding answers to to...

/demo version/ ...

Defined Ajna

The Ajna Center is about measurement and comparison across time. It processes information from the past, present, and future. The past is abstract, the future is logical, and the present is about knowing.

Normal
(Self)

You enjoy exploring and learning new information that you can easily digest and incorporate into you...

/demo version/ ...

Distorted
(Not-Self)

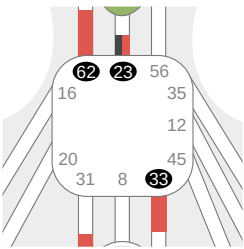

You tend to make decisions from your mind, based on your opinions, knowledge, and ideas, which can l...

/demo version/ ...

Undefined Throat

Throat Center is all about communication. All energy in the body flows to the Throat to manifest and express itself.

Normal
(Self)

Your gift is the ability to speak spontaneously and on time, enjoying the changes in vocal intonatio...

/demo version/ ...

Defined Sacral

The Sacral Center is the source of a powerful energy, a life force. This is the engine that fuels hard work and reproductivity in our Chart. This is also the energy that non-Generators need in order to move along their spiritual journey.

Normal
(Self)

You possess a strong and dynamic source of energy that drives you to take action and create positive...

/demo version/ ...

Distorted
(Not-Self)

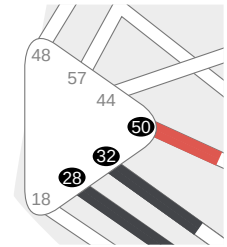

When your life energy is not directed in response to your innermost desires and needs, it can become...

/demo version/ ...

Undefined Spleen

The Spleen Center is where our instincts are, operating in the Now. It's the oldest awareness center so it's all about survival and existential awareness.

Normal
(Self)

You have a wealth of knowledge about maintaining health and wellness, and you may even be considered...

/demo version/ ...

Distorted
(Not-Self)

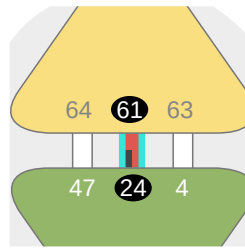

Your lack of a stable sense of security often leads to feelings of anxiety and causes you to hold on...
